... but first we kindly ask you to review the admission procedures carefully before you start your application process.

Read all information included under "International Candidates" tab. There you can find information concerning the admission process including: the list of required documents, available courses, tuition fees, scholarships, language requirements, etc. You can also use our search engine to check the programmes offered at TUL and choose the most suitable ones.

Admission opened on May 31, 2020! You can read more about it [here](#) [1].

The first step of admission consists of sending us scans of all the required documents to the e-mail - foreignstudents@info.p.lodz.pl [2] in the time specified on our website.

□ Remember that your documents must be accompanied by apostille and/or be legalized and be translated into Polish or English by a sworn translator.
